How to use chart:

1. establish the number of immediate family members registered in 2010 - family members must have a common parent or legal guardian regardless of whether they are all living in the same household
2. work out how many family members are in each team group.
3. look across Family N^o row corresponding to family members in each team group.

How fees are calculated for a family of 2 or more:

1. child with lowest fee pays full rate - auskick \$50, junior \$80, youth \$95
2. additional auskick pay \$50
3. additional juniors pay \$40
4. additional youth pay \$50
5. examples – 3 in family
 - a. 1st child auskick full fee \$50, 2nd child junior \$40, 3rd child youth \$50 = \$140
 - b. 1st child auskick full fee \$50, 2nd child auskick \$50, 3rd child youth \$50 = \$150
 - c. 1st child junior full fee \$80, 2nd child junior \$40, 3rd child youth \$50 = \$170
6. examples – 4 in family
 - a. 1st child auskick full fee \$50, 2nd child junior \$40, 3rd child youth \$50, 4th child youth \$50 = \$190
 - b. 1st child junior full fee \$80, 2nd child junior \$40, 3rd child youth \$50, 4th child youth \$50 = \$220

Minimum fee payment before playing:

1. 1 child \$50, 2 children \$80, 3 children \$100, 4 children \$120
